

VEGGIE PHARM

made with
**Garlic &
100% Organic
Peppermint Oil**

www.pharmsolutions.com

TREATS:

Mites, Beetles,
Horticultural Fungus,
and Garden Insects.

Concentrate

All-natural & Bio-degradable

Active Ingredients: Pure Oils of Soybean Oil 3%, Garlic 2.5%, Peppermint .10% and Rosemary .10%
Inert Ingredients: Food Grade Oleic Acid, Non GMO Canola Oil, USP Grade Glycerin and Carbonic Acid Monopotassium Salt, Potassium Chloride and water: 83.3%

For Best Results: SPRAY AT DUSK this lengthens drying time and treatment. Thoroughly water plants in the A.M. At dusk spray a fine even mist on plants, vegetables and fruit. Please test on seedlings before full application. Please do not over spray, do not spray to drip. There should not be a soapy residue on the leaves.

For Regular Maintenance: Mix 8 parts water to 1 part concentrate spraying every 7-10 days.
Infestations: Mix 4 parts water to 1 part concentrate and spray weekly until pest pressure is eliminated.

For Scale: Remove affected leaves first then spray an even mist on well-watered plants. Applications during mid-day or high temperatures may cause leaf burn or leaf fall, neither of which should harm the plant. Pharm Solutions products are safe, bio-degradable, and will not harm beneficials should they land on treated plants. Do not use within 30 days of a sulfur application. Avoid wood siding.

Controls: Adult Japanese Beetles, Thrips, Aphids, Spider Mites, Whiteflies, Scales, Leafhoppers, Earwigs and more. Repeat at first sign of infestation.

Use our **Garlic Pharm™** between applications to repel insects.

**Use Freely
Until Harvest
Patent Pending**

Your pure and natural answer to Garden Pests. Designed with your family and the environment in mind, all ingredients are pure and natural, food or pharmaceutical grade.

For Outdoor Use Only

Positively
